

## 2016 PLATTE COUNTY YOUTH FOOTBALL FUNDRAISER

Once again our league will be selling the ever-popular trash bags. We are selling the kitchen (white), lawn & leaf (yellow) and super (blue) all for \$10.00 per roll. Prepaid orders need to be turned in to your team parent by August 31, 2016 with anticipation of delivery by mid September.

- Each player is required to sell 25 rolls of trash bags or pay \$100 to buyout.
- If you do not sell 25 rolls; it is a \$4.00 per roll buyout (i.e. you sell 20 rolls x \$10.00 = \$200.00; you need to pay for 5 rolls x \$4.00 = \$20---you need to turn in \$220).
- Please be sure to tally your order form and have the correct amount of money turned in.
- **DO NOT turn in cash.**
- All orders are to be turned into your team parent on or before August 31, 2016.

If you have multiple children in the league, for each child we ask that you sell 15 rolls of bags or \$60 per child to buyout. The same \$4.00 buyout for less than 15 rolls applies. If your children are on separate teams, please turn in an order to each team. Do not combine order forms. They must be separate so that each team is provided with the correct numbers of bags.

As always, we greatly appreciate your cooperation in the fundraising program. These funds provide the safest equipment for our players and keep our registration costs to a minimum.

Please do not turn in cash. If you receive cash, please write one check. **DOUBLE CHECK YOUR ORDER WITH MONEY RECEIVED.**
