

2017 Platte County Youth Football League Fundraiser

Once again our league will be selling the ever-popular trash bags. Prepaid orders need to be turned in to your team parent by September 5, 2017 with anticipation of delivery by end of September.

We will be selling the following trash bags:

- Kitchen—White—15 gallon, 65 bags per roll
- Lawn & Leaf—Yellow—39 gallon, 25 bags per roll
- Super—Blue—55 gallon, 16 bags per roll

Single child in the league:

- Each player is required to sell 25 rolls of trash bags or pay \$100 to buyout.
- If you do not sell 25, it is a \$4.00/roll buyout (i.e. you sell 20 rolls at \$10.00 = \$200.00. You are responsible for the other 5 rolls at \$4.00 = \$20.00, for a total of \$220).

Multiple children in the league:

- Each player is required to sell 15 rolls of trash bags or pay \$60 per child to buyout.
- If you do not sell 15, it is a \$4.00/roll buyout (i.e. you sell 10 rolls at \$10.00 = \$100. You are responsible for the other 5 rolls at \$4.00—\$20.00, for a total of \$120).
- If your children are on separate teams, please turn in an order for each team. Do not combine order forms.

Other:

- Please be sure to tally your order form and have the correct amount of money turned in.
- DO NOT turn in cash; check only. If you receive cash, please write one check. Double check your order with money received.
- All orders are to be turned into your team parent on or before September 5, 2017.

As always, we greatly appreciate your cooperation in the fundraising program. These funds provide the safest equipment for our players and keep our registration costs to a minimum.
